Free Adoptions at ARF in June!

Adoption fees waived all month long for dogs, cats, puppies, and kittens

WALNUT CREEK, California – June 4, 2015 – ARF is kicking off the Summer of Saving Lives! For the first time ever, ARF is offering waived adoption fees for all dogs, cats, puppies, and kittens during the month of June to send home all of their shelter animals. There's no better time to find your perfect pet partner!

"In summer, public shelters are overwhelmed with cats and dogs in desperate circumstances with little chance for survival," says Elena Bicker, ARF's Executive Director. "Through the help of generous supporters and volunteers, ARF is able to take these death row pets and give them the second chance at a forever home. The more we send home, the more we can rescue."

Meet ARF's wide selection of precious pets – available online at www.arlife.org, or check them out in person at ARF headquarters in Walnut Creek. All animals are spayed or neutered, microchipped, and vaccinated. Standard adoption criteria applies. Already have a full house? You can save multiple lives by becoming an ARF Foster or donating to fund ARF rescue missions – check arlife.org for details. Team up with ARF and find your new best friend today!

Adoption hours:

Wednesday/Thursday: Noon - 6 pm

Friday: Noon - 7 pm

Saturday/Sunday: Noon - 6 pm

ARF's core mission is the rescue of dogs and cats who have run out of time at public shelters, giving them a chance at life until a new home can be found. ARF couples this focus with innovative programs strengthening the human-animal bond for children, seniors, veterans, and people in disadvantaged circumstances. Through ARF, people experience the unconditional love and acceptance of dogs and cats to fulfill a mission of "People Rescuing Animals...Animals Rescuing People..."®
